Dear Parishioners..... just a thought!

An elder Cherokee chief took his grandchildren into the forest and sat them down and said to them, "a fight is going on inside me. This is a terrible fight and it is a fight between two wolves. One wolf is the wolf of fear, anger, arrogance and greed. The other wolf is the wolf of courage, kindness, humility and love.... This same fight between the two wolves that is going on inside of me is going on inside of you' and inside every person." They thought about it for a minute and then one child asked the chief, "Grandfather, which wolf will win the fight?" The chief said quietly, "The one you feed."
