Dear Parishioners

Basic education is the first objective for any nation seeking to develop itself. Lack of education is as serious as lack of food; the illiterate is a starved spirit. When someone learns how to read and write he is equipped to do a job and to shoulder a profession, to develop self confidence and realize that he can progress along with others.

Populorum Progressio, Pope Paul VI

Pius XII said that the world must be saved from savagery to make it more human and thence to make it divine. That is, all practices that disagree with the gospel must be removed if we are to save people. We must save not the soul at the hour of death but the person living in history.

Archbishop Oscar Romero

The Church cannot neglect the service of charity any more than she can neglect the Sacraments and the Word.

Pope Benedict XVI, Deus Caritas Est.

A recent survey has been made of St. Anne's Church roof and it is obvious that we need to undertake some major repairs to prevent further leaks. If any members of the parish have some expertise in this kind of work – practical, financial, surveying, etc., - I would be very grateful if you would contact me or ring the parish office. If we can form a small group I feel that would be a very helpful way forward.

Fr. Godric
