

St Anne and St Elizabeth Parishes

There are different kinds of spiritual gifts, but the same Spirit.

There are different kinds of service, and the same Lord.

To each of you the revelation of the Spirit is apportioned – to build up the Church.

You people are the Body of Christ, and individually you are members of that Body.

God has appointed in the Church first some who are apostles,

in the second place prophets;

third are teachers.

Then come miracles, then gifts of healing, then the corporal works of mercy, then administrative gifts and different kinds of languages...

(1 Corinthians 12)
